

WHY WE FIGHT

From Sony Pictures
Movie trailer online <http://www.whywefight.com>

In the councils of Government, we must guard against the military industrial complex.“... **Dwight Eisenhower**

“The United States is the greatest force for good in the world. We have not an obligation to go out and start wars, but certainly to spread Democracy and freedom throughout the world.”... **John McCain**

“The defense budget is three quarters of a trillion dollars. Profits went up last year well over 25%. When war becomes that profitable, you are going to see more of it” **Chalmers Johnson** (CIA 1967-1973)

Review: “A dense and absorbing critique of American militarism.” A. O. Scott, **The New York Times**

Review: “Nimble and brilliant. I defy anyone not to be staggered by it.” Owen Gleiberman, **Entertainment weekly**

“It is nowhere written that the American Empire goes on forever”
