

JOINING THE MILITARY CAN BE HAZARDOUS TO YOUR LOVE LIFE

If a loving relationship is important to you consider this before you join up

- ☹ **Relationships are shattered.** The divorce rate in the military is **2 to 3 times higher** than in civilian life.
- ☹ **Domestic violence and spouse abuse are 2 to 3 times higher** in the military than in civilian life.
- ☹ Nearly **1 out of 3** female veterans say they were **raped or sexually assaulted**. **3 out of 4** female veterans were **sexually harassed**
- ☹ **Depression kills romance.** **1 out of 4** returning Iraq vets have **major depression or combat stress**.
- ☹ The **military controls when and where** you get together.
- ☹ When you're apart does someone else steal his or her heart? **Cheating or the fear of cheating breaks up many GI relationships.**
- ☹ Do you want the **military picking your mate**? Believe it or not, they're trying to do just that. In the Army's new PICK a Partner Program chaplains are telling troops who would be a good partner.
- ☹ The military tells you how to dress and how to wear your hair. **Will your partner like the new you?**
- ☹ **Financial problems** wreck relationships. **Unemployment** for Iraq vets is **2 times higher** than their non-vet peers.
- ☹ Long deployments break up relationships.
- ☹ **Life altering wounds**, missing limbs, brain injuries destroy many relationships, not to mention your life.
- ☹ **And if you're dead there will be no relationship.**
